

# Lips of an Angel

## [unknown]

Honey why are you calling me so late?  
It's kinda hard to talk right now  
Honey why are you crying, is everything okay?  
I gotta whisper cause I can't be too loudWell, my girl's in the next room  
Sometimes I wish she was you  
I guess we never really moved onIt's really good to hear your voice saying my name  
It sounds so sweet  
Coming from the lips of an angel  
Hearing those words it makes me weakAnd I never wanna say goodbye  
But girl you make it hard to be faithful  
With the lips of an angelIt's funny that you're calling me tonight  
And yes I've dreamt of you too  
And does he know you're talking to me?  
Will it start a fight?  
No I don't think she has a clueWell my girl's in the next room  
Sometimes I wish she was you  
I guess we never really moved onIt's really good to hear your voice saying my name  
It sounds so sweet  
Coming from the lips of an angel  
Hearing those words it makes me weakAnd I never wanna say goodbye  
But girl you make it hard to be faithful  
With the lips of an angelIt's really good to hear your voice saying my name  
It sounds so sweet  
Coming from the lips of an angel  
Hearing those words it makes me weakAnd I never wanna say goodbye  
But girl you make it hard to be faithful  
With the lips of an angelAnd I never wanna say goodbye  
But girl you make it hard to be faithful  
With the lips of an angel  
Honey why are you calling me so late?
