

Chase You Down

runaground

Ooh Ooh
Don't let it slip away
Ooh Ooh
Don't let it get awayCan you hear me right now
I got your number
And I'm callin' you out
With liquid courage
I can beat all my doubt
There's not another
So I'm chasin' you down
Chasin' you downCan you see me right now
I'm comin' closer
Think I figured you out
Not like the others
You don't blend with the crowd
I've blown your cover
Now I'm takin' you down
Takin' you downCan you hear me right now
I got your number
And I'm callin' you out
With liquid courage
I can beat all my doubt
There's not another
So I'm chasin' you down
Chasin' you downOoh Ooh
Don't let it slip away
Ooh Ooh
Don't let it get awayOoh Ooh
Don't let it get away
Ooh Ooh
Won't let you slip awayCan you see me right now
I'm comin' closer
Think I figured you out
Not like the others
You don't blend with the crowd
I've blown your cover
Now I'm takin' you down
Takin' you downCan you hear me right now
I got your number

And I'm callin' you out
With liquid courage
I can beat all my doubt
There's not another
So I'm chasin' you down
Chasin' you downCan you see me right now
I'm comin' closer
Think I figured you out
Not like the others
You don't blend with the crowd
I've blown your cover
Now I'm takin' you down
Takin' you downOoh Ooh
Don't let it slip away
Ooh Ooh
Don't let it get away
Ooh Ooh
Don't let it get away
Ooh Ooh
Won't let you slip awayCan you hear me right now
I got your number
And I'm callin' you out
With liquid courage
I can beat all my doubt
There's not another
So I'm chasin' you down
Chasin' you down
