

Exceptional

China Anne McClain

Everybody`s got their thing,
something different we all bring
don't you let them clip your wing
 you got it you got it
 we`re on fire and we blaze,
 in extraordinary ways,
 365 days
 we got it we got it
 if you can dream it,
 then you can be it,
 if you can feel it
then you can believe it cause
 i am you are we are
 exceptional,exceptional
 yeah i am you are we are
 exceptional, exceptional
 doo, doo doo, doo doo,
 doo doo doo
