Walk Out

Justin Townes Earle

I guess you think I dont see what youre doing
I know everything, who do you think youre foolin?
go on and get your things, walk on out the door
I said go on and get your things, I dont want you anymore
oh no no no no no no
I hope I never fall in love again
love in the beginning sweet but bitter in the end
oh so Im goin off somewhere no one knows my name
I said im goin off somewhere, aint never comin back again
well now who do you think you are, doin me this way
Ill tell you now I aint the one
you run around where all my friend can see you baby
and well I hope you had your fun
so goodbye, I dont mind watchin you leave
I said goodbye, I wont cry when you walk out on me
no I wont cry when you walk out on me
