

Back At One

Shayne Ward

It's undeniable
That we should be together
It's unbelievable
How I used to say that I'd fall never
The basis you need to know
If you don't know just how I feel
Then let me show you now
That I'm for real
If all things in time
Time will reveal
Yeah One, you're like a dream come true
Two, just wanna be with you
Three, girl it's plain to see
That you're the only one for me
Four, repeat steps one through three
Five, make you fall in love with me
If ever I believe my work is done
Then I start back at one So incredible
The way things work themselves out
And all emotional, once you know what it's all about babe
And undesirable
For us to be apart
Never would have made it very far
Cause you know that you've got the keys to my heart
Cause One, you're like a dream come true
Two, just wanna be with you
Three, girl it's plain to see
That you're the only one for me
Four, repeat steps one through three
Five, make you fall in love with me
If ever I believe my work is done
Then I start back at one Say farewell to the dark night
I see the coming of the sun
I feel like a little child
Whose life has just begun
You came and breathed new life
Into this lonely heart of mine
You threw out the life line
Just in the nick of time One, you're like a dream come true

Two, just wanna be with you
Three, girl it's plain to see
That you're the only one for me
Four, repeat steps one through three
Five, make you fall in love with me
If ever I believe my work is done
Then I start back at one
