

# Don't Ask Why

[Alan Jackson](#)

Ask me any kind of question  
Anything you want to know  
Tell you all about my lovers  
Heartaches and laughter from a long time ago  
And ask me if I'm finally happy  
Never really been before  
Ever since you happened to me  
I've told all my secrets, I don't have anymore  
Ask me now and I won't tell a lie  
Ask me how I've been feeling inside  
When somebody loves you  
You know that it's true, don't ask why  
And ask me if I really mean it  
When I tell you I love you  
Ask me will I please repeat it  
I'll tell you forever if you want me to
