

# Clara

## Bart Davenport

Someday don't wake up I want you to get some rest  
Someday if she's hungry I'll bring her to you  
Clara once upon a time you mother didn't love your father the best  
But he made believe that she did one day it was true  
Go back to sleep my daughter  
Go back to sleep my wife  
I'm waiting for you there  
Someday I wake up and she's still a song to play  
Someday but you're ready to hear it's for you  
Clara once upon a time your father knew he'd scare your mother away  
Singing lovers live in a dream that keeps coming true  
  
Go back to sleep my daughter  
Go back to sleep my wife  
I'm waiting for you there  
It's gonna be a long night  
It's gonna be a long night  
And the sun my never shine  
On what I think I've seen in your eyes  
On what I think I've seen in yours  
'Cause your eyes are not a window  
Your eyes are not a window  
They're a one way mirror to my soul  
Someday don't wake up I want you to get some rest
