

Perfect People

Natalie Grant

Never let Him see you when you're breaking
And never let Him see you when you fall
That's how we live
And that's how we try
Tell the world you've got it all together
And never let him see what's underneath
We cover it up with a crooked smile
But it only lasts for a little while
There's no such thing as perfect people
There's no such thing as a perfect life
So come as you are, broken and scarred
Lift up your heart and be amazed
And be changed by a perfect God, yeah
Suddenly it's like a weight is lifted
When you hear the words that you are loved
He knows where you are and where you've been
And you never have to go there again, no
There's no such thing as perfect people
And there's no such thing as a perfect life
So come as you are, broken and scarred
Lift up your heart and be amazed
And be changed by a perfect God
Who lived and died to give new life
To heal our imperfections
So look up and see love
And let grace be enough, oh
There's no such thing as perfect people, yeah
There's no such thing as a perfect life
So come as you are, broken and scarred
Lift up your heart and be amazed
And be changed by a perfect God
By a perfect God, yeah
By a perfect God, yeah
By a perfect God
By a perfect God
Be changed by a perfect God
Be changed
