Erectin' a River

Wazgul

ou and me, hoss!

Sentry go-go down n' up n'
Dammit, gotta move that gear!
This thing ain't on an autopilot.
Dammit, gotta move that gear!
Hold it, Spy! Don't touch that sentry!
Dammit, gotta move that gear!
That's why I ain't gonna park here.
Git down!
Dammit, gotta that gear!

Sentry go-go down n' up n'
Dammit, gotta move that gear!
This thing ain't on an autopilot.
Dammit, gotta move that gear!
Hold it, Spy! Don't touch that sentry!
Dammit, gotta move that gear!
That's why I ain't gonna park here.
Git!

Git do-do-down git gi-gi-gi git down!
Dammit, gotta move that gear!
Git do-do-down git gi-gi-gi git down!
Dammit, gotta move that gear!
Git do-do-down git gi-gi-gi git down!
Dammit, gotta move that gear!
Git do-do-down git gi-gi-gi git down!
Dammit, gotta move that gear!

Sentry go-go down n' up n'
Dammit, gotta move that gear!
This thing ain't on an autopilot.
Dammit, gotta move that gear!
Hold it, Spy! Don't touch that sentry!
Dammit, gotta move that gear!
That's why I ain't gonna park here.
Git!
