Hollywood (NeÃ-mo Flavoured)

Madonna

Everybody comes to Hollywood
They wanna make it in the neighbourhood
They like the smell of it in Hollywood
How could it hurt you when it looks so good?
Shine your light now
This time it's got to be good
You get it right now

Cause you're in HollywoodThere's something in the air in Hollywood

The sun is shining like you knew it would

You're riding in your car in Hollywood

You got the top down and it feels so goodEverybody comes to Hollywood

They wanna make it in the neighbourhood

They like the smell of it in Hollywood

How could it hurt you when it looks so good?

I lost my memory in Hollywood

I've had a million visions bad and good

There's something in the air in Hollywood

I tried to leave it but I never couldShine your light now

This time it's got to be good

You get it right now yeah

Cause you're in HollywoodThere's something in the air in Hollywood

I've lost my reputation bad and good

You're riding in your car in Hollywood

You got the top down and it feels so goodMusic stations always play the same songs I'm bored with the concept of right and wrongEverybody comes to Hollywood
