

# This Is It

## Michael Jackson

Ready?

1,2,3,4

This is it, Here I stand  
I'm the light of the world  
I'll feel grand  
Got this love, I can feel  
And I know, Yes for sure

It is real And it feels as though I've seen your face a thousand times  
And you said you really know me too yourself  
And I know that you have got addicted with your eyes  
But you say you're gonna leave it for yourself

Oh

I never heard a single word about you  
Falling in love wasn't my plan  
I never thought that I would be your lover  
Come on baby just understand This is it

I can say

I'm the light of your world  
run away  
we can feel  
This is real

Every time I'm in love that I feel And I feel as though I've known you since a thousand years  
And you tell me that you've seen my face before  
And you said to me that you don't want me hanging around  
many times wanna do it here before

Oh yeah

I never heard a single word about you  
Falling in love wasn't my plan  
I never thought that I would be your lover  
Come on baby just understand This is it

I can feel

I'm the light of the world  
This is real  
feel my song  
we can say

And I tell you can feel that way And I feels as though I've known you for a thousand years  
And you said you saw my face yourself  
And you said want to go with you on a while  
And I know that it's really for myself

Oh yeah  
I never heard a single word about you  
Falling in love wasn't my plan  
I never thought that I would be your lover  
Come on please dear understand I never heard a single word about you  
Falling in love wasn't my plan  
I never thought that I would be your lover  
Come on dear please understand  
Oh yeah I never heard a single word about you  
Falling in love wasn't my plan  
This is it
