

I Don't Wanna Say Goodbye to You Tonight

Masked Intruder

I don't wanna say goodbye to you tonight
I would rather hang out till we see the morning light
So hey girl, what do you say? Would it be alright
Maybe if I just stayed the night? I don't wanna say goodbye to you tonight
I got a crush on you, you wouldn't believe
Let's hang out forever, baby girl, just you and me
So hey girl, what do you say? Would it be okay
Maybe if we just ran away together? I don't wanna say goodbye to you tonight
I would rather hang out till we see the morning light
So hey girl, what do you say? Would it be alright
Maybe if I just stayed the night?
Cause I don't wanna say goodbye to you tonight
No, I don't wanna say goodbye to you tonight
