

Girl on fire (Fry Ups UK Garage Remix)

[Alicia Keys](#)

She's just a girl, and she's on fire
Hotter than a fantasy, longer like a highway
She's living in a world, and it's on fire
Feeling the catastrophe, but she knows she can fly away
Oh, she got both feet on the ground
And she's burning it down
Oh, she got her head in the clouds
And she's not backing down This girl is on fire
This girl is on fire
She's walking on fire
This girl is on fire Looks like a girl, but she's a flame
So bright, she can burn your eyes
Better look the other way
You can try but you'll never forget her name
She's on top of the world
Hottest of the hottest girls say
Oh, we got our feet on the ground
And we're burning it down
Oh, got our head in the clouds
And we're not coming down This girl is on fire
This girl is on fire
She's walking on fire
This girl is on fire Everybody stands, as she goes by
Cause they can see the flame that's in her eyes
Watch her when she's lighting up the night
Nobody knows that she's a lonely girl
And it's a lonely world
But she gon' let it burn, baby, burn, baby This girl is on fire
This girl is on fire
She's walking on fire
This girl is on fire
Oh, oh, oh,
She's just a girl, and she's on fire
