

Be My Bodyguard

Hit'n'Hide

Oh oh oh, be my bodyguard,
Oh oh oh, I'm a superstar.
Oh oh oh, be my bodyguard,
Oh oh oh, I'm a superstar. I need you everywhere I go,
I can't stay here by my self,
You are the one that needs to know,
Whenever I need help. You're my boduguard,
Everyday,
Everywhere I go, you also go.
You're my bodyguard,
Yes you are,
I'm not afraid when you're around. Will you stay with me,
Be my bodyguard,
Every night and day,
I'm a superstar.
Will you stay with me,
Be my bodyguard,
Every night and day,
I'm a superstar. Now I've been all around the world,
And you're still here with me today,
It's hard to be a famous girl,
I hope that you will stay. You're my boduguard,
Everyday,
Everywhere I go, you also go.
You're my bodyguard,
Yes you are,
I'm not afraid when you're around. Will you stay with me,
Be my bodyguard,
Every night and day,
I'm a superstar.
Will you stay with me,
Be my bodyguard,
Every night and day,
I'm a superstar. I'm a superstar,
And you know that I need you so,
You can be my bodyguard,
But you will always be my friend, my friend. You're my boduguard,
Everyday,
Everywhere I go, you also go.

You're my bodyguard,
Yes you are,
I'm not afraid when you're around. Will you stay with me,
Be my bodyguard,
Every night and day,
I'm a superstar.
Will you stay with me,
Be my bodyguard,
Every night and day,
I'm a superstar. Oh oh oh. Be my bodyguard,
Oh oh oh, I'm a superstar.
Oh oh oh. Be my bodyguard,
Oh oh oh, I'm a superstar. Will you stay with me,
Be my bodyguard,
Every night and day,
I'm a superstar.
Will you stay with me,
Be my bodyguard,
Every night and day,
I'm a superstar.
