

I Remember You (With David Foster)

Kenny Rogers

I remember you
You're the one
Who made my dreams come true
A few kisses go I remember you
You're the one who said
I love you too, I do
Didn't you know? I remember too
A distant bell
And stars that fell
Like rain out of the blue When my life is through
And the angels ask me to recall
The thrill of them all
Then I should tell them
I remember you When my life is through
And the angels ask me to recall
Oh, the thrill of them all
Then I should tell them
I remember Tell them, I remember
Tell them, I remember you
