

# Overground

## Siouxsie & The Banshees

Got to give up life in this netherworld  
Got to go up to where the air is stale  
And live a life of pleasantries  
Mingle in the modern families

Overground from abnormality  
Overboard for identity  
Overground for normality  
Overboard for identity

This limbo is no place  
To be a digit in another space  
In another crowd  
I'm nameless bound

Overground from abnormality  
Overboard for identity  
Overground for normality  
Overboard for identity

Overground, I'll be worse than me  
Overground, it's clear to me  
I'll be worse than me  
Overground, I'll be worse than me  
Overground, it's clear to me  
I'll be worse than me  
Overground, I'll be worse than me  
Overground, it's clear to me  
I'll be worse than me  
Overground, I'll be worse than me  
Overground, it's clear to me  
I'll be worse than me
