

Run Rudolph Run

[Jimmy Buffett](#)

(marvin brode & johnny marks)

Out of all the reindeer, you know you're the mastermind

Run run rudolph vixen can't be far behind

Run run rudolph santa's got to make it to town

Santa make him hurry; tell him he can take the freeway down

Run run rudolph spinning like a merry go round

Said santa to the boy child what would you be longing for

All I want for christmas is a rock and roll electric guitar

Then away went rudolph streaking like a shooting star

Run run rudolph santa's got to make it to town

Santa make him hurry; tell him he can take the freeway down

Run run rudolph spinning like a merry go round(go go go) Said santa to the girl child what would you be pleased
most to get

A little barbie doll that can cry sleep drink and wet

Then away went rudolph streaking like a citation jet

Run run rudolph santa got to make it to town

Santa make him hurry; tell him he can take the interstate down

Run run rudolph spinning like a merry go round

... round round round round round

Run run rudolph santa's got to make it to town

Santa make him hurry; tell him he can take the freeway down

Run run rudolph spinning like a merry go round
