Flesh Fest

Pig

I've Earnt Me An Armful Boom Boom Boom
Get Me A Sample Zoom Zoom Zoom
Being Me Once More To The Breach
The Tarred And Bitter Bite Of Shame
Turn One More Trick And You Could Teach
Your Piss Poor Parody Of Blame
Get Down Shut Up Baby Learn
I'll Absolve While You Observe
Take This Pork On Your Fork
Take Your Sides And Hitch A Ride
Cut This Cord And We Will Spill
The Juice That Holds The Little ThrillSqueeze Into The Guilt That Holds Me
The Twisted Arms That You Have Sold Me
The Broken Bridge That You Take Me Through
These Fickle Foaming Lies Told By YouFlesh Fest
Just Like You
Flesh Fest
Just Like You
Flesh Fest
Just Like You
Flesh Fest
Just Like YouThis Little Piggy Goes Boom Boom Boom
Hide You Hope And Its Zoom Zoom Zoom
The Door Of Dismal Daily StrifeOpen For This Hopeless Life
All Dressed Up In Blood Stained Silk
The Dival Of His Dirt And Ilk
In The Gut And Gristle On This Ground
Where I've Been Lost But Now I'm FoundI Got Little Thing For You
I Hope You're Gonna Think This Through
Hold Your Gonna Think This Through
Hold Your Nerve And Hold Your Serve
Suck This Thing You Don't Deserve
Mismanaged Miscreants Mistake
Misconduct Missed In Misery
