

Now Or Never

Everlife

Where's the balance, where's our common ground?
I've been hoping lately you'd come around
Time has changed me, brought me to my knees
Tell me how to break free
No more wasting precious life

Right now I've had enough
I'm on the edge of breaking down
The time has come for me to choose
There's nothing to lose
It's now or never
It's now or never
Oh

Here's your last chance
To make me something more
It could be better than it was before
You don't get it, you keep holding back
You're living in the past
I've made my choice now
You decide

Right now I've had enough
I'm on the edge of breaking down
The time has come for me to choose
There's nothing to lose
It's now or never

I am stronger
When I'm down on my knees
I lift my head and sing
In spite of all they say

Right now I've had enough
I'm on the edge of breaking down
The time has come for me to choose
There's nothing to lose
It's now or never

Right now I've had enough

I'm on the edge of breaking down
The time has come for me to choose

I have no excuse
There's nothing to lose

It's now or never

It's now or never

It's now or never

It's now or never

Oh Whoa Yeah

Whoa Oh Oh Yeah

Right now

Right now

Yeah
