

# Indecision

## Steven Page

Ooh, wooh  
Ooh, woohI've always been a creature of habit  
Put another way, I'm addicted to you  
I'm predisposed to habit  
Happiest when I don't know what to doI wanna settle down like my father  
I wanna run away like my mother ought toBe prepared for indecision  
It might make me disappear  
But then again, my addiction  
To indecision keeps me hereOoh, wooh  
Ooh, woohI was born between the tracks  
I left home and turned around and came back  
One day you and I will be intertwined  
If I could only make up my mindBe prepared for indecision  
It might make me disappear  
But then again, my addiction  
To indecision keeps me hereOoh, woohLeave decisions up to fate  
Nothing comes to those who waitCome see the view from the top of the fence  
We'll watch the world unfold its events  
Some days when I am nearly awake  
I can almost hear the decisions I makeBe prepared for indecision  
It might make me disappear  
But then again, my addiction  
To indecision keeps me hereBe prepared for indecision  
It might make me disappear  
But then again, my addiction  
To indecision keeps me hereOoh, wooh  
Ooh, wooh
