[Ali:]Ok

3LW Dub getting money again

Ali Vegas Getting Money Again

[Kiely: Verse 1]What's up with ya

Calling me like

I'm your girlfriend

When I just met ya

The other night

Boy it's not a good look, for you

[Refrain]Slow down, let it come

To you, don't push up

To hard, if you just

Do you, do you

I would, more than like it

Want you, even more

So what are you, speeding for

Be cool, be cool

[Chorus]You gotta know when to fall back

Maybe somebody will call back

Not tryin' to act like I'm all that

But I like a challenge

If you make me wanna call you

One day I'm gonna fall through

So my question for you is,

Are you up for the challenge?

[Kiely: Verse 2]You're doing to much

Blowin me up

With all these messages

There's nothing sexy bout that

You havent given me a chance to get back

Cuz you keep callin'

[Refrain]Slow down, let it come

To you, dont push up

To hard, if you just

Do you, do you

I would, more than like it

Want you, even more

So what are you, speedin' for

Be cool, be cool

[Chorus] You gotta know when to fall back  
Maybe somebody will call back

Not tryna act like I'm all that  
But I like a challenge  
If you make me wanna call you  
One day I'm gonna fall through  
So my question for you is,  
Are you up for the challenge?

[Ali:] Were the pro's and the con's you was thrown from the start

I don't know if it's the dope that I'm on  
or how many times I go when the trogen is on  
but something got you showing your thong  
See the ones that like drawn to the dark  
See I pass them the cove and the Quan  
or the show and the Sean  
Makes a nose 4 they arm  
I'm tha Prince I act Like A PIMP  
Or a MACK this chick on a jet  
stay hitting me back tellin' em listen here scrap  
you need to relax

Bro man slow jams and I'm twisting it back  
Like a man from the shaw  
theres no holding hands shishcabob  
You Know we not a couple so that Mobile plan aint a blah

[Bridge] I wouldn't have given you my number

If I didnt want you to call  
The first few times were cute  
But after that you started to turn me off  
Started turnin' me off that's why

[Chorus] You gotta know when to fall back

Maybe somebody will call back  
Not tryna act like I'm all that  
But I like a challenge  
If you make me wanna call you  
One day I'm gonna fall through  
So my question for you is,  
Are you up for the challenge?

You gotta know when to fall back

Maybe somebody will call back  
Not tryna act like I'm all that  
But I like a challenge

If you make me wanna call you  
One day I'm gonna fall through  
So my question for you is,

Are you up for the challenge?
