

# You Are The Saint, I Am The Sinner

Winger

Do you really believe that I  
Can't see inside your cold heart  
I have witnessed you, now let the  
Truth be a light in the dark Yeah I can see so clearly  
Right through your crying there's no denying  
You point the finger, cast the first stone  
Knowing you're guilty you're  
Still blaming me, sayin'... You are the saint I am the sinner  
You laugh as my heart turns to stone  
You are the saint I am the sinner  
Prey til my flesh hits the bone You love watching the blood dripping  
Off of your hands  
But like the rising sun your reflection will come  
Put you up on the stand Yeah I can see so clearly  
Right through your crying there's no denying  
You point the finger from up on your throne  
You promise, you wink, you honestly think that... You are the saint I am the sinner  
You laugh as my heart turns to stone  
You are the saint I am the sinner  
Prey til my flesh hits the bone Soon to your demon you will be a slave  
Watching these words but until that day... You are the saint I am the sinner  
You laugh as my heart turns to stone  
You are the saint I am the sinner  
Prey til my flesh hits the bone
