

Stupid

[Sarah McLachlan](#)

Night lift up the shades
Let in the brilliant light in morning
Steady me now
For I am weak and starving for mercy Sleep has left me alone
To carry the weight of unravelling where we went wrong
It's all I can do to hang on
To keep me from falling
Into old familiar shoes How stupid could I be?
A simpleton could see
That you're no good for me
But you're the only one I see Love has made me a fool
Set me on fire and watched as I floundered
Unable to speak
Except to cry out and wait for your answer But you come around in your time
Speaking of fabulous places, create an oasis
That dries up as soon as you're gone
You leave me here burning
In this desert without you How stupid could I be?
A simpleton could see
That you're no good for me
But you're the only one I see Everything changes
Everything falls apart
I can't stand to feel myself losing control
In the deep of my weakness I know How stupid could I be?
A simpleton could see
That you're no good for me
But you're the only one I see How stupid could I be?
A simpleton could see
That you're no good for me
But you're the only one I see
