Kendrick Lamar

(What did the Asian say?)

A peace of mind

That's what the Asian said, I need a divine
Intervention was his religion and now it's a prize
Him believing in Buddha, me believing in God
Asked me what am I doing, he said "taking my time"
Meditation is a must, it don't hurt if you try
See you thinking too much plus you too full of yourself
Worried about your career, you ever think of your health?

(What did the Indian say?)

A piece of land

That's what the Indian said, I needed demand
Telling me longevity is in the dirt, should buy some property first
Profit a better dollar with generational perks
Equity at his best, really, you should invest
These tangible things expire, don't you expect
Income with so much outcome and yes
Look at my heritage, we blessed

(Now what the black man say?)

A piece of pussy

That's what the black man said, I needed to push me
To the limit, satisfy my hunger
We do it all for a woman, from hair cut to a wool
We like to live in the jungle, like to play in the peach
What you saying to me?
He said "nigga, come back to reality for a week"
Pussy is power, fuck on a new bitch every night
I wouldn't be prouder, you should allow it

(What the white man say?)

A piece of mines

That's what the white man wanted when I rhyme
Telling me that he selling me just for \$10.99
If I go platinum from rapping, I do the company fine
What if I compromise? He said it don't even matter
Make a million or more, you living better than average
You losing your core following, gaining it all
Put a price on my talent, I hit the bank and withdraw
Hit the bank and withdraw, hit the bank and withdraw
Put myself in the rocket ship and I shot for the stars

Look at what you accomplished and what he said to the boy
I'mma make you some promises that you just can't ignore
Your profession anonymous as an artist
If I don't target your market
You ain't signing your signature when I throw you my wallet
A lot of rappers are giving their demo all in the toilet
Your world tour, your masters, mortgage, I need a piece What you do? What you say?"
I shall enjoy the fruits of my labor if I get freed today
I holler What you do? What you say?"
I shall enjoy the fruits of my labor if I get freed today
