(What did the Asian say?)

A peace of mind

That's what the Asian said, I need a divine

Intervention was his religion and now it's a prize

Him believing in Buddha, me believing in God

Asked me what am I doing, he said "taking my time"

Meditation is a must, it don't hurt if you try

See you thinking too much plus you too full of yourself

Worried about your career, you ever think of your health?

(What did the Indian say?)

A piece of land

That's what the Indian said, I needed demand

Telling me longevity is in the dirt, should buy some property first

Profit a better dollar with generational perks

Equity at his best, really, you should invest

These tangible things expire, don't you expect

Income with so much outcome and yes

Look at my heritage, we blessed

(Now what the black man say?)

A piece of pussy

That's what the black man said, I needed to push me

To the limit, satisfy my hunger

We do it all for a woman, from hair cut to a wool

We like to live in the jungle, like to play in the peach

What you saying to me?

He said "nigga, come back to reality for a week"

Pussy is power, fuck on a new bitch every night

I wouldn't be prouder, you should allow it

(What the white man say?)

A piece of mines

That's what the white man wanted when I rhyme

Telling me that he selling me just for \$10.99

If I go platinum from rapping, I do the company fine

What if I compromise? He said it don't even matter

Make a million or more, you living better than average

You losing your core following, gaining it all

Put a price on my talent, I hit the bank and withdraw

Hit the bank and withdraw, hit the bank and withdraw

Put myself in the rocket ship and I shot for the stars

Look at what you accomplished and what he said to the boy
I'mma make you some promises that you just can't ignore
Your profession anonymous as an artist
If I don't target your market
You ain't signing your signature when I throw you my wallet
A lot of rappers are giving their demo all in the toilet
Your world tour, your masters, mortgage, I need a pieceWhat you do? What you say?"
I shall enjoy the fruits of my labor if I get freed today
I holler What you do? What you say?"
I shall enjoy the fruits of my labor if I get freed today
