Best Thing I Never Had

BeyonceÌ•

What goes around comes back around
Hey, my baby
What goes around comes back around
Hey, my babyI say, what goes around comes back around
Hey, my baby
What goes around comes back aroundThere was a time
I thought that you did everything right
No lies, no wrong
Boy, I must've been outta my mindSo when I think of the time that I
Almost loved you
You showed your ass and I
I saw the real youThank god you blew it
I thank god I dodged a bullet
I'm so over you
So baby, good looking outI wanted you bad, I'm so through with it
'Cause honestly you turned out to be the
Best thing I never had
You turned out to be the
Best thing I never hadAnd I'm gon' always be the
Best thing you've never had
Oh yeah
I bet it sucks to be you right nowSo sad, you're hurt
Boo hoo, oh, did you expect me to care?
You don't deserve my tears
I guess that's why they ain't thereWhen I think that there was a time
That I almost loved you
You showed your ass
And baby, yes, I saw the real youThank god you blew it
I thank god I dodged a bullet
I'm so over you
Baby, good lookin' outI wanted you bad, I'm so through with it
'Cause honestly you turned out to be the
Best thing I never had
Said, you turned out to be the
Best thing I never hadHmm, and I'll never be the
Best thing you've never had
Oh baby, I bet
Sucks to be you right nowI know you want me back
It's time to face the facts

That I'm the one that's got away
Lord knows that it would takeAnother place, another time
Another world, another life
Thank god
I found the good in goodbyeI used to want you so bad, so through with that
'Cause honestly you turned out to be the
Best thing I never had
Oh, you turned out to be the
Best thing I never hadAnd I will always be the
Best thing you never had
Ooh
Best thing you never hadI used to want you so bad, I'm so through with that
'Cause honestly you turned out to be the
Best thing I never had
Oh, you turned out to be the
Best thing I never hadOh, I will never be the
Best thing you never had
Oh baby
I bet it sucks to be you right nowWhat goes around comes back around
What goes around comes back around
(I bet it sucks to be you right now)What goes around comes back around
(I bet it sucks to be you right now)
What goes around comes back around
(I bet it sucks to be you right now)
