

# Zip Gun

[Gilby Clarke](#)

Undertaker of the overkill  
Coming down from the model glue  
Vegas strip couldn't rob you blind  
Weekends free with the genocide

Zero hour, rapid fire Panic stricken, desperation

Chorus:

Zip gun, I'm a liquor store thief  
Zip gun, trailer park white trash  
Battleground of the junkie glam  
Time bombs, shooting rubberbands  
Blackout ain't a flashback  
Just the end of innocent  
White lies, hard crime Make believe, smokescreen  
Walking wounded,  
Gotta get outta here  
Damned and stupid,  
Sinking feeling  
I'm buried here
