

Rock My World (Little Country Girl)

Brooks & Dunn

She's got a T-Top Camaro with a scoop on the hood
And two big speakers blasting Johnny B. Goode
Looking so sweet it oughta be a crime
She plays with my heart and messes with my mind
Acts like Madonna but she listens to Merle
Rock my world little Country girl
She wears snake skin boots made by Calvin Klein
And cheap sunglasses from the five and dime
All the other girls in school they give her dirty looks
She got an "A" in math and never cracked a book
Sure looks good in her denim and pearls
Rock my world little Country girl
Rock my world, drag me out on the floor
Dance with me till I can't dance anymore
One-step, two-step, get in a line
I gotta find a way to make you mine
Rock my world
I tell her that I love her but it ain't enough
She says I got to learn to loosen up
Well, get a little wild on Saturday night
But make sure she's home before the mornin' light
Sunday, she's all ribbons and curls
Rock my world little Country girl
Rock my world, drag me out on the floor
Dance with me till I can't dance anymore
One-step, two-step, get in a line
I gotta find a way to make you mine
Rock my world little Country girl
Rock my world little Country girl
Rock my world little Country girl
Rock my world little Country girl
(Rock on to me girl)
Rock my world little Country girl
(Rock my world)
Rock my world little Country girl
