

Play Big

Downset

Play big I heard Bush was a drug dealer movin' them ki's to the platforms of offshore oil, black op's to pay off programs of manipulation and political assassinations, tons of opium to income puppet elections in central american soil, top government administration official run them narcotic for you Can't walk away from this one clean (x2)

Keep play big, lords of pestilence, lords of pestilence, plagues reign, lords of pestilence, lords of pestilence, play big, lords of pestilence, lords of pestilence, plague reign, lords of pestilence Khun Sa, golden triangle, international distribution, Laotia, Burma, Thailand, NSC corruption, Iran contra pass substance through customs, consumption, epidemic proportions, reduction of population, will congressman examine the CIA's own admissions, thousands gone on lifetime prison sentences

(Sentences) You ain't walkin' away from this one clean

Ain't walkin' away from this one clean

Keep play big, lords of pestilence, lords of pestilence, plague reign, lords of pestilence, lords of pestilence, play big, lords of pestilence, lords of pestilence, plague reign, lords of pestilence, lords of pestilence Lords of pestilence Lords of pestilence Lords

Lords, lords of pestilence Play big, lords of pestilence, lords of pestilence, plague reign, lords of pestilence, lords of pestilence, play big, lords of pestilence, lords of pestilence, plagues reign, lords of pestilence, lords of pestilence
