

Save Me

Queen

It started off so well
They said we made a perfect pair
I clothed myself in your glory and your love
How I loved you
How I cried
The years of care and loyalty
Were nothing but a sham it seems
The years belie we lived a lie
I love you till I die
Save me, save me, save me
I can't face this life alone
Save me, save me, save me
I'm naked and I'm far from home The slate will soon be clean
I'll erase the memories
To start again with somebody new
Was it all wasted
All that love?
I hang my head and I advertise
A soul for sale or rent
I have no heart I'm cold inside
I have no real intent
Save me, save me, save me
I can't face this life alone
Save me, save me
Oh I'm naked and I'm far from home Each night I cry I still believe the lie
I love you 'till I die
Save me, save me, save me
Yeah, save me
Oh oh save me
Don't let me face my life alone
Save me, save me oh ooh ooh
I'm naked and I'm far from home
