

Always Safety First

[NRBQ](#)

Just had a whim, to go take a swim
Out on a limb just haul off and jump right in
But that's not so smart and so, I'll hold on to the rim
Ahh, and then I will live to swim again It's really neat, to go cross the street
Don't skip a beat just fly on my swifty feet
But I'll stop before I go, the light will tell me when
Ahh, and then I will live to cross again Slow down, buckle up, take the time, rehearse
Always Safety First I'm feelin' free, I'll go climb a tree
Oh monkey me, I'm just like a chimpanzee
But it's way too high and so, this time I'll just pretend
Ahh, and then I will live to climb again
