Things To You

NRBQ

Let me say things to you
You are a true dream come true
You are like the clear sky of blue
Let us be one plus one
Love that will never be done
A Love that's always just begun
Let me say things to you
Words don't always come out like I plan
This I think that you will understand
Let me say things to you
You are a true dream come true
You are like the clear sky o blue
Darlin, hold on, hold on for me
