The House That We Grew up In

The Weeks

I said, 'Oh'
She said, 'My head aches'
But she's still dancing to the music that my band playsI said, 'Oh'
I watch her legs shake
And she was jumping up and down just like an earthquakeI said, 'Oh'
I watch her sweat drip
I saw her clap her hands and close her eyes and bite her bottom lipI said, 'Oh'
I watch her dress rip
In the car behind the club for a quick fixAnd, oh
I watch her drink spill
I saw her dance right back to the bar to get a refill
I said, 'Oh'
Pick up your T
And all the kids they will clap in MississippiAnd, oh
We hit the mirror
And we scream a little louder so that everyone can hear; we said:Oh oh, let the band play
I'm being broken up and ripped apart by X-rays
I said oh, oh, oh, oh, oh,
They can't stop us
They can't stop us
They can't stop us nowI said, 'Oh'
In the back room
On the couch, I caught a whiff of your perfumeAnd, oh
See the crowd rage
It was a sea of naked teens being teen-aged
And, oh
Full of heartbreak
We spent the New Year's Eve with the champagneAnd, oh
In the bathroom
Because my band was going on a little too soonAnd, oh
I see stars
We spent the last four hours with some money in the barI said, 'Oh'
Understand
Because I keep it going crazy through that Mississippi rain; I said:Oh oh, let the band play
I'm being broken up and ripped apart by X-rays
I said oh, oh, oh, oh, oh,
They can't stop us
They can't stop usOh oh, let the band play
I'm being broken up and ripped apart by X-rays

I said oh, oh, oh, oh, oh,
They can't stop us
They can't stop us
They can't stop us nowI said:
Oh oh, let the band play
I'm being broken up and ripped apart by X-rays
I said oh, oh, oh, oh, oh,
They can't stop us
They can't stop us
They can't stop us now
