

# I Swear

Peter Kent

[I:]

I made mistakes in the past  
But then you came along and gave me your trust  
Girl, you turned this playa around  
You have cleaned my heart from the lost and found.

[Prerrefren:]

Yes I know there'll be cloudy days  
But I ask, please give me tomorrow  
Maybe I cannot stop the rain  
But I'll be, I'll be right there...

[Refren:]

I will not let you go  
Girl, all my life I swear  
You are all that I know  
I will not let you down  
And for as long as I live  
I swear I'll be around.

[II:]

Sometimes people can change  
Sometimes a playa can be played at his game.

[III:]

Baby, I was happy to lose  
And I have no doubt, it is you that I choose.

[Prerrefren]

[Refren]

(I will not let you go  
This is what you gotta know)  
I won't let you down,  
Girl I'll be around, I swear  
(I'll never lie to you  
I'll do anything for you)  
Baby, you gotta know that I...  
I will never let you go...  
I'll never let you go...  
I will never let you down

And for as long as I live I swear I'll be around.

[Refren:]

Back to me, come back to me  
Back to me, come back into my life  
My life, I wÃ¬ll not let you go...
