

Russian Lullaby

E-Type

Privet! Menya zavut E-Type! Nazdarovie!When the seas are rolling in

When the stars are shining clear

When the ghosts are howling near

When we sing the Russian lullabyIn the night, in the nightLet's you and me together leave for higher ground

When you are all alone just listen to the soundLullaby,

we fall asleep when we hear...

Lullaby,

we fly away when we hear...

Lullaby,

we travel far when we hear...

Lullaby,

when we hear the Russian lullaby...In the night, when the seas are rolling in

In the night, when the stars are shining clear

In the night, when the ghosts are howling near

In the night, when we sing the Russian lullabyIn the night, in the nightWhen we are going through the night in

search of light

Let's you and me enjoy the mach 5 speed of lifeLullaby,

we fall asleep when we hear...

Lullaby,

we fly away when we hear...

Lullaby,

we travel far when we hear...

Lullaby,

when we hear the Russian lullaby...In the night, when the seas are rolling in

In the night, when the stars are shining clear

In the night, when the ghosts are howling near

In the night, when we sing the Russian lullabyIn the night

We fall asleep when we hear...

In the night

We fly away when we hear...

In the night

We travel far when we hear...

In the night

When we sing the Russian lullaby...When the seas are rolling in

In the night, when the stars are shining clear

In the night, when the ghosts are howling near

In the night, when we sing the Russian lullabyWhen we sing the Russian lullaby

When we sing the Russian lullaby
