## The Teenagers

Last week I flew to san diego to see my auntie  
on day one I met her hot step-daughter  
She's a cheerleader, she is a virgin and she is really tanned  
As she stepped out of her massive car  
I could only notice she was more than fuckable  
I think she was coming back from the game or something  
'Cause she was holding those silly pompoms  
On day two I fucked her and it was wild  
She is such a slutI fucked my American cunt  
I loved my English romance  
I fucked my American cunt  
I loved my English romance  
It was dirty a dream came true  
Just like I like it shes got nice tits  
It was perfect a dream came true  
Just like a song by Blink182Ok, listen girls  
I met the hottest guy ever  
Basically as I was stepping out of my S.U.V.  
I came face to face with my step-cousin or whatever  
Who cares?  
Anyway he was wearing skinny jeans had funky hair  
And the cutest british accent ever  
A straight away I could tell he was a rocker  
With his sexy attitude and the way he looked at me  
Mmm he is totally awesome  
Oh my god I think I'm in loveI fucked my American cunt  
I loved my English romance  
I fucked my American cunt  
I loved my English romance  
It was dirty a dream came true  
Just like I like it shes got nice tits  
It was perfect a dream came true  
Just like a song by Blink182I fucked my American cunt  
I loved my English romance  
I fucked my American cunt  
I loved my English romance  
It was so nice to meet you
