Stranger Than Fiction

Five Finger Death Punch

It's stranger than fiction
How you've decayed
It must be so lonely
Lost within your ways
You're born alone, you die alone
The rest is your's to fill the gap
The world goes on without you here
Adjust or just collapse
Is this what you wanted to be
Alone standing by yourself
Is this all you wanted to be
Or was that a cry for help
By yourself, by yourself, by yourself
Threw old grenades
You throw in vain

I can't believe you'd stoop so low
Of all the things you took away
I miss my mind the most
Is this what you wanted to be
Alone standing by yourself
Is this all you wanted to be
Or was that a cry for help
By yourself, by yourself, by yourself
Is this what you wanted to be
Alone standing by yourself
Is this all you wanted to be
OR WAS THAT A CRY FOR HELP!
It's stranger than fiction
How you've decayed
It must be so lonely
Lost within your ways
