Loaded Shotgun

The Mud Howlers

I got a little question,
Grinnin from ear to ear.
You got bad intentions?
Cause i cant keep hidindear.
You better grab your water gun
Cause i got a loaded shotgun.
Im gonna hit the bullseye,
And youre the sugar on my apple.(Chorus)
I got a loaded shotgun,
Im gonna get the job done!
You better get your money too,
Cause this is gonna turn a zoo!Always a step behind,
Cause they think im on moonshine.
Get lost in the blackholes,
Dont give a damn about love.
Gonna make contras,
Bad news travel fast!
I got a ten cent answer to a fifty dollar question.(Chorus)
I got a loaded shotgun,
So you better jump son!
You better get your girl too,
Cause this is gonna turn a zoo!
