

# The Spell (Buzz Junkies Remix)

## Alphabeat

I've been thinking about you lately  
You're on my mind  
You do something to me baby  
In ways I can't define Whatever you're doing  
You're doing it well  
What is your secret  
Won't you please tell 'Cause my head is spinning  
Spinning around  
You let me know boy  
I won't let you down You put a spell on me  
I don't know what to do  
It's an ability  
That drives me closer to you  
Your magic  
Has got me where I want to be  
Your magic  
Is happening in front of me There's a power within you baby  
It's controlling me  
I know there's no way to fight it  
I'll let it be Whatever you're doing  
You're doing it well  
What is your secret  
Won't you please tell 'Cause my head is spinning  
Spinning around  
You let me know boy  
I won't let you down You put a spell on me  
I don't know what to do  
It's an ability  
That drives me closer to you  
Your magic  
Has got me where I want to be  
Your magic  
Is happening in front of me You put a spell on me  
I don't know what to do  
It's an ability  
That drives me closer to you  
Your magic  
Has got me where I want to be  
Your magic

Is happening in front of me Can you feel the power lurking baby girl

I think the spell is working, o-oooh

Can you feel the power lurking baby girl

I think the spell is working oooh You put a spell on me

I don't know what to do

It's an ability

That drives me closer to you You put a spell on me

I don't know what to do

It's an ability

That drives me closer to you

Your magic

Has got me where I want to be

Your magic

Is happening in front of me You put a spell on me

I don't know what to do

It's an ability

That drives me closer to you

Your magic

Has got me where I want to be

Your magic

Is happening in front of me
