Couldn't I Just Tell You

Todd Rundgren's Utopia

Keep your head and everything will be cool
You didn't have to make me feel like a fool
When I try to say I feel the way that I do
I want to talk to you
And make it load and clear
Though you don't care to hearCouldn't I just tell you the way I feel
I can't keep it bottled up inside
And could we pretend that it's no big deal
And there's really nothing left to hideSomething sure doesn't seem right to me
When you can turn your back whenever you please
And you stroll away and calmly bid me adieu
Why can't I talk with you
And put it in your ear though you don't care to hearHear me out
Why don't you lend me an ear
You've got no reason to fear
I'll make it perfectly clear
I love you
