

# Couldn't I Just Tell You

## Todd Rundgren's Utopia

Keep your head and everything will be cool  
You didn't have to make me feel like a fool  
When I try to say I feel the way that I do  
I want to talk to you  
And make it loud and clear

Though you don't care to hearCouldn't I just tell you the way I feel

I can't keep it bottled up inside  
And could we pretend that it's no big deal

And there's really nothing left to hideSomething sure doesn't seem right to me

When you can turn your back whenever you please  
And you stroll away and calmly bid me adieu

Why can't I talk with you  
And put it in your ear though you don't care to hearHear me out  
Why don't you lend me an ear  
You've got no reason to fear  
I'll make it perfectly clear  
I love you
