

# Take My Breath Away

Emma Bunton

If, if I told you how I feel about you, would you say the same?  
And if I wrote it in a letter, would you keep it or throw it away?  
I, I never thought I'd feel the way I'm feeling lately  
When everything you seem to do just drives me crazy Every waking day, you take my breath away  
With every word you say, you take my breath away  
You look at me that way, baby come what may  
I hope that you'll always know how to take my breath away  
How to take my breath away You told me how you feel about me things I did not know  
If you said you'd fill my heart with all your loving 'til it overflowed  
I don't know the way you feel but boy I'm hoping  
I always used to hide away, but now I'm open Every waking day, you take my breath away  
With every word you say, you take my breath away  
You look at me that way, baby come what may  
I hope that you'll always know how to take my breath away  
How to take my breath away Take my breath away  
Take my breath away  
Take my breath away Every waking day, you take my breath away  
With every word you say, you take my breath away  
You look at me that way, baby come what may  
I hope that you'll always know how to take my breath away  
How to take my breath away Take my breath away  
Take my breath away  
Take my breath away Take my breath away  
Take my breath away  
Take my breath away
