Lil Uzi Vert

Breathe in, breathe in  
Breathe out, shake that ass  
Speed up, go fast  
Slow down

Breathe in, breathe in  
Breathe out, shake that ass  
Speed up, go fast  
Slow down

4, 4, 4, 4

4, 4, 4, 4

Million, on me, Jay Z  
Count up, fuck nigga, pay me  
Pull up, walk in  
Everybody yell like "watch out"  
Got it too lit like "pipe down"  
No I can't wait need it right now  
Get guap only ones, what she like now  
Count it up from the morning to the night now  
That's the reason that niggas wanna fight now  
Look at my diamonds, shine like a lighthouse

Pull up, walk in

Everybody yell like "watch out"

Breathe in, breathe in  
Breathe out, shake that ass  
Speed up, go fast  
Slow down

Breathe in, breathe in  
Breathe out, shake that ass  
Speed up, go fast  
Slow down

4, 4, 4, 4

Woah fuck your bitch, I'm bored  
Rockstar that's of course, white girl like Lorde  
She don't really get too impressed, Honda Accord

Got that girl wet, she need three towels  
Call my phone like, every day, on speed dial

Hundred thousand, new watch, got like three dials  
I don't eat out, hit once, leave out  
Breath in, breath in, breath in  
Breath out, shake that ass  
Speed up, go fast  
Slow down  
Back it up, rack it up  
Told that bitch, back it up  
Thirty nails, hammer tucked  
So there's no way, you jamming us  
Breath in, breath in, breath in  
Breath out, shake that ass  
Speed up, go fast
