## Maranatha! Praise Band

From the highest of heights  
to the depths of the sea  
creations revealing it's majesty  
from the colors of fall  
to the fragrance of spring  
every creature unique in the song that it sings

All exclaiming  
indescribable, uncontainable  
You placed the stars in the sky in the sky and you know them by name  
You are amazing God  
All powerful  
untainable  
awstruck we fall to our knees as we humbly proclaim  
You are amazing God

Who told every lightning bolt where it should go  
or seen heavenly storehouses laden with snow  
who imagined the sun and give source to it's light  
Yet consealed it to bring us the coolness of night  
None can fathom

(chorus)

(chorus)

(chorus)

incomparable  
unchangeable You see the depths of heart and you know me the same  
You are amazing God (x3)
