With or Without You

Sarah Darling

See the stone set in your eyes
See the thorn twist in your side
And I wait for youSlide of hand and twist of fate
On a bed of nails he makes me wait
And I wait without youWith or without you
With or without youThrough the storm we reach the shore
You give it all but I want more
And I'm waiting for youWith or without you
With or without you
I can't live
With or without youAnd you give yourself away
And you give yourself away
And you give
And you give
And you give yourself awayMy hands are tied
My body bruised, he's got me with
Nothing to win yeah and
Nothing left to loseAnd you give yourself away
And you give yourself away
And you give
And you give
And you give yourself awayI can't live
With or without you
I can't live
With or without you
With or without you
