

Just Like Me

Money Man

Intro

How we gone hate on each other we both do the same shit
Well we both tryna do the same shit

Hook

Heard you had to move them peas nigga you just like me
Heard you had to get it out the mud nigga you just like me
Heard you had to do it on yo own nigga you just like me
Nigga you just like me , nigga you just like me
How we gone hate when we just alike
We Both get money and wear ice
We Both got niggas who doing life
We both had to go and get some stripes
Nigga you just like me
How we gone hate when we just alike
We both got stripes
We both risking our life

Verse

How we gone hate when we so alike
When we both live the same life
Nigga we both want the same shit
Nigga we both had to hit a lick
You had to see the judge me too
You had to find a plug me too
You had to sell some drugs me too
You bout to pour some mud me too
You had to shoot at a nigga me too
I had to take out my enemies too
Been through the same shit you been through
Lil nigga probably times 2
You gotta p on my nigga me too
We had to do what we had to do
We had to trap just to make it through
We had to trap just to buy some food
Both of us cut from the same fabric
We had to catch a play and swipe plastic
We had to weight it up then bag it
We had to count it up then stack It

We took a loss and got back on our feet
We had to get this shot outta the streets
We had to get this shit outta the mud
I am a plug nigga show me some love

Hook

Heard you had to move them peas nigga you just like me
Heard you had to get it out the mud nigga you just like me
Heard you had to do it on yo own nigga you just like me
Nigga you just like me , nigga you just like me
How we gone hate when we just alike
We Both get money and wear ice
We Both got niggas who doing life
We both had to go and get some stripes
Nigga you just like me
How we gone hate when we both alike
We both got stripes
We both risking our life

Intro

It ain't no difference between us
Shouldn't be no hate between us
See the streets had to feed us
We got people who need us
You got that Cali pack I got it too
You got a shooter with you me too
You got a bad bitch me too
You tryna get rich me too
Nigga you bossed up me too
We got them choppas he gone rob who
You got that ice on me too
Nigga you plugged in me too
I hope you feed yo soldiers like me
I hope you ran it up like me
I hope you motivate em like me
I hope you try to ball like me
When you thank about it we the same
We made our situation change
We rock foreign cars in them chains
We wanted money not the fame
We had to struggle at first
We had to hustle every night
We had to risk our life
We had to risk our livesss

Hook

Heard you had to move them peas nigga you just like me
Heard you had to get it out the mud nigga you just like me
Heard you had to do it on yo own nigga you just like me
Nigga you just like me , nigga you just like me
How we gone hate when we just alike
Both get money and wear ice
Both got niggas who doing life
We both had to go and get some stripes
Nigga you just like me
How we gone hate when we both alike
We both got stripes
We both risking our life
