

In The Summer

IAMDYNAMITE

Tell him we're leaving him
Tell him we're falling out
We got to move it
Oh, no, no, no, no Tell him the fire's out
Tell him to leave it all
We got to move it
Oh, no, no, no, no Tell it to me now that you wanted to be
That you were on top
That you were nothing and nothing Tell it to me now that you wanted to be
That you were on top
That you were nothing and nothing Holding on in the summer
You've got my pictures and
They've got me facing
Won't even tell me that I'm moving
You've got my pictures and
They've got me facing
Won't even tell me that I'm Tell him we're leaving him
Tell him we're falling out
We got to move it
Oh, no, no, no, no Tell it to me now that you wanted to be
That you were on top
That you were nothing and nothing Tell it to me now that you wanted to be
That you were on top
That you were nothing and nothing Holding on in the summer
You've got my pictures and
They've got me facing
Won't even tell me that I'm moving
You've got my pictures and
They've got me facing
Won't even tell me that I'm Tell him we're leaving him
Tell him we're falling out
We got to move it
Oh, no, no, no, no Tell him the fire's out
Tell him to leave it all
We got to move it
Oh, no, no, no, no Holding on in the summer
You've got my pictures and
They've got me facing
Won't even tell me that I'm moving

You've got my pictures and
They've got me facing
Won't even tell me that I'm Holding on in the summer
You've got my pictures and
They've got me facing
Won't even tell me that I'm moving
You've got my pictures and
They've got me facing
Won't even tell me that I'm
