

# Red

## Taylor Swift

Loving him is like driving a new Maserati down a dead end street  
Faster than the wind  
Passionate as sin, ended so suddenly  
Loving him is like trying to change your mind  
Once you're already flying through the free fall  
Like the colors in autumn  
So bright just before they lose it all  
Losing him was blue like I'd never known  
Missing him was dark grey all alone  
Forgetting him was like trying to know somebody you've never met  
Loving him was red  
Loving him was red  
Touching him is like realizing all you ever wanted was right there in front of you  
Memorizing him was as easy as knowing all the words to your old favorite song  
Fighting with him was like trying to solve a crossword and realizing there's no right answer  
Regretting him was like wishing you never found out that love could be that strong  
Losing him was blue like I'd never known  
Missing him was dark grey all alone  
Forgetting him was like trying to know somebody you've never met  
But loving him was red  
Oh red burning red  
Remembering him comes in flashbacks and echoes  
Tell myself its time now, gotta let go  
But moving on from him is impossible  
When I still see it all in my head  
Burning red.  
Burning, it was red.  
Oh, losing him was blue like I'd never known  
Missing him was dark grey all alone  
Forgetting him was like trying to know somebody you've never met  
Cause loving him was red  
Yeah, yeah red  
We're burning red  
And that's why he's spinning round in my head  
Comes back to me burning red  
Yeah yeah  
His love was like driving a new Maserati down a dead end street
