## Red

## **Taylor Swift**

Loving him is like driving a new Maserati down a dead end street

Faster than the wind

Passionate as sin, ended so suddenly Loving him is like trying to change your mind

Once you're already flying through the free fall

Like the colors in autumn

So bright just before they lose it allLosing him was blue like I'd never known

Missing him was dark grey all alone

Forgetting him was like trying to know somebody you've never met

Loving him was red

Loving him was redTouching him is like realizing all you ever wanted was right there in front of you Memorizing him was as easy as knowing all the words to your old favorite song

Fighting with him was like trying to solve a crossword and realizing there's no right answer Regretting him was like wishing you never found out that love could be that strongLosing him was blue like I'd

never known

Missing him was dark grey all alone

Forgetting him was like trying to know somebody you've never met

But loving him was red

Oh red burning redRemembering him comes in flashbacks and echoes

Tell myself its time now, gotta let go

But moving on from him is impossible

When I still see it all in my headBurning red.

Burning, it was red.Oh, losing him was blue like I'd never known

Missing him was dark grey all alone

Forgetting him was like trying to know somebody you've never met

Cause loving him was red

Yeah, yeah red

We're burning redAnd that's why he's spinning round in my head

Comes back to me burning red

Yeah yeahHis love was like driving a new Maserati down a dead end street
