Life's So Funny

Joe Diffie

Ain't it funny, I haven't seen you in years
And all those tears I cried, finally dried up
And blew away
Ain't it funny, you once were glad
Just to have me near, to calm your fears
What fun we had
Whoever thought, we'd met this way
After the love we had
Life's so funny
Sometimes it makes me sad
Ain't it funny, you just walk up and say
How've you been, like some old friend
You used to know

And ain't it funny, I've got nothing to say
Since you stole my heart and all the words away
That I'd rehearsed so well
Whoever thought we'd act this way
After the love we had
Life's so funny
Sometimes it makes me sad
Where's the love that we once had
The one we thought would last and last
Life's so funny
Sometimes it makes me sad
Life's so funny
Sometimes it makes me sad
